Farewells
At the end of the term we will be saying Goodbye to Carys and her family as they are moving interstate. Carys has been here since she began Occasional Care last year so we will miss her. Thankyou for all of your contributions to our kindergarten community.

Fees
Apologies to everyone for the confusion about the fees this term. It seems there was a delay in getting out invoices and some may not have received one at all! I have now checked our records and have issued reminders to those families who have not yet paid. It is disappointing that some have not paid all year. The fees that you pay support he kindergarten to purchase the basic consumables including paper, paint, pencils, textas etc. While we do get some support from the government for our bills including electricity, phone, gas etc we make up the shortfall with your fees so they are an essential part of our budget. Please speak confidentially to Victoria if you are having difficulty with your payment. We are happy to organise a payment plan if this assists.

Kindergarten Photos
Bruce Hobby will be attending on the morning of Tuesday June 30th to take photos of all of the children as well as a group photo. He will return the photos early next term and then parents may choose how many they would like and order more. There is no expectation to buy any. Parents have been very happy in the past with his photos.

Recipes – Extension for time to return
A quick reminder to those families who have not yet sent in a recipe to do so by Tuesday 23rd June. We also need a beautiful drawing done by your child to accompany the recipe.
We have received about half so far and are eagerly awaiting the rest. Congratulations to everyone for coming up with such a variety of recipes. I’m looking forward to trying a few myself!

When we have compiled the book we will be printing it as a fundraiser so the more recipes the better!

Look out for an order sheet soon.

**Kindy Hats**

We are very excited to let you know that hats printed with our fabulous new kindy logo will be available for purchase soon (and in plenty of time for summer!) They are the same price as the T-shirts. We have deliberately kept the cost low so that families are able to purchase them. They will be a great advertisement for our kindergarten as well as keeping the children sunsafe!

**Woolworth Earn and Learn**

This year Woolies will be undertaking their earn and learn promotion again so if you do your shopping there we would love to have your support. The promotion starts on July 15th and runs until 8th September so we will send more information home soon. The last time the promotion ran we were able to purchase some maths equipment. It is always great when we can partner with businesses in the community to support the local education services.

**Thanks**

Jacqui, Danusha, Jo and Victoria
