

WATTLE PARK KINDERGARTEN

Preschool Priority of Access Policy

PURPOSE

Enrolments will be determined in accordance with the Preschool Enrolment Policy of the Department for Education and Child Development (DECD) and this Preschool Priority of Access Policy will inform parents / guardians of the criteria that will be used to prioritise enrolments in the event that the site has reached enrolment capacity.

SCOPE

Where the demand for preschool places approaches capacity (number of places available), then the priority of access policy will apply to guide equity in allocating remaining preschool places.

OBJECTIVES

Parents / guardians who register intent to enrol a child at the preschool will have their application for enrolment assessed by the site leader as outlined in Procedure Details.

Where a place cannot be offered, parents / guardians will be provided with the names of alternate local preschools. It is acknowledged that attendance at the preschool's Playgroup greatly enhances a family's transition to kindergarten.
